1. **HISTORICAL BACK-GROUND OF THE INSTITUTION:**

Father Muller College of Physiotherapy is a unit of Father Muller Charitable Institutions, a Registered Society sponsored by the Catholic Diocese of Mangalore; is a Religious Minority Educational Institution established primarily for the benefit of the members of the Christian Community. It is open, like all other Educational Institutions under Catholic auspices, to all persons irrespective of religion, caste or community and is affiliated to Rajiv Gandhi University of Health Sciences, Karnataka, Bangalore.

Father Muller Charitable Institutions had a very humble beginning in the year 1880 under a banyan tree where Father Muller, a German Jesuit missionary started dispensing Homoeopathic Medicines to the ailing poor. Though it was started as a leprosy hospital, as need arose, an Allopathic Hospital was constructed and the care was extended to patients suffering from various diseases. Today it has grown as vast complex , consisting over 1,000 bedded multispeciality Hospital with graduate and postgraduate programmes in Medicine, Nursing and allied health sciences.

It is noteworthy to mention that all these existing Medical and Allied Health Science programmes offered by Father Muller's Charitable Institutions contribute not only towards the diverse health needs of the people but it also caters towards preparing Quality Health Care Personnel for the country at large.

2. **PHILOSOPHY**

The Management, Staff and Students of Father Muller's Charitable Institutions, have been inspired and guided through the years, by the motto "HEAL AND COMFORT" instilled by Fr Muller himself whose spirit and values we cherish, maintain and promote with special thrust in bringing succour to the underprivileged, such as patients with leprosy, tuberculosis, mentally ill, alcoholics etc.

We consider Patient Care is a team work in co-operation and collaboration with all those who are involved in the care of the patient, whether in the hospital or community, adopting a holistic approach founded on Scientific and Research Findings.

We promote education of the highest quality in the Art and Science of Medicine, Nursing, Allied Health Sciences and other related professions instilling Human, Ethical, Spiritual and Christian values.

We look for excellence not only in professional skills but also in attitude and character in everyone, upholding respect for Life, Dignity of a person with humaneness and a genuine feeling of compassion for patients, their attenders and families, in emulation of the 'Divine Healer-the Greatest Physician'.

The Staff and Students of this Medical College will maintain the rich tradition of 'Holistic Approach' to patient care instilled by the Founder, Father Augustus Muller. Healing of the 'Whole Person' - body, mind and spirit will be the total concern of everyone in this approach and not merely curing a diseased part of the human body or an ailment.

It is hoped that during the period of training, the virtues of brotherly love and compassion in a spirit of service, respect of life from the womb to the tomb, including respect for disabled and the infirm, will be imbibed by the students. They are expected not only to deepen their knowledge and develop more skills in different medical sciences but also to grow in "Spiritual Strength", so that they contribute towards maintaining the ethos of the institution.
