ABOUT US

Surgery, since time immemorial, has been an integral and elegantly intertwined discipline in almost all fields of medicine.

It has played a vital role in the management of both emergency and routine procedures, which are encountered on a daily basis by both surgeons and future medical professionals alike.

In order to excel in the advancing techniques in this surgical domain, Father Muller Medical College has provided us the foundation to set up our very own student run Surgical Club.

TRU-CUT SOCIETY

Tru-cut Society will be co-ordinated and mentored by Dr. Prathvi Shetty and will be chaired by Mr. Sudhan Rackimuthu.

This club aims to impart knowledge in all forms available and aspires to bestow hands on training and relevant information on the basic fundamentals of Surgery through organised workshops and specifically tailored sessions.

Tru-cut society strives to pass down skills from mentor to students for years to come.

THE TEAM

COMMITTEE OF 2019-20

PRESIDENT : Sudhan Rackimuthu

CORE COMMITTEE

SOCIAL MEDIA REPRESENTATIVE : Nikitha Crasta
Imman Boban
