Dear Dr Ramakrishnan

I am pleased to offer to you the post of International Training Fellow.

Hours	40
Tenure	Fixed Term
Payscale	£37,408
Base	North Manchester General Hospital

This offer of employment is subject to receipt of satisfactory pre-employment checks and it is the final decision of the Trust to determine what is satisfactory. Checks are undertaken in line with the **NHS Employment Checks Standards** and will be used to confirm the following:-

- Verification of Identity
- Disclosure and Barring Check
- Occupational Health Check
- Right to Work
- Qualifications and Registration
- Employment History and References

The sections below outline what you are required to do to satisfy each check:-

Right to Work Checks

If you do not currently have the right to work in the UK, the Trust can apply for Tier 2 sponsorship.

If you require Tier 2 Sponsorship can you please complete the attached pro forma and return to myself along with a copy of the biometric page of your passport.

You will be responsible for the cost of the Certificate of Sponsorship (£199) and associated visa costs and Health Surcharge. The Trust will be responsible for the payment of the Skills Levy (if applicable). If you have any questions regarding Right to Work please contact Christopher Dunn, Christopher.dunn@srft.nhs.uk.

Under the Immigration, Asylum and Nationality Act 2006 (amended by the Immigration Act 2016) we are required to check that you have the legal right and permission to work in the UK. We are required to see your original documentation, verify that they are valid whilst you are present and make and retain copies of the documents presented. You will therefore be required to attend for an ID check meeting once you arrive in the UK.

We electronically screen and store all right to work documents presented for the purposes of obtaining employment with the Trust. Where a concern or issue arises with a screened document, we may choose to refer that document to the Home Office for further consideration.

DBS Check

All posts are subject to a DBS check, however as you don't currently have the Right to Work in the UK this will be requested once you are in country with a UK address and are able to provide evidence of proof of address.

Payment for the DBS, currently £47.50 will be deducted from your salary.

Once you have received your DBS it is a condition of employment that you sign up to the DBS Update Service at a cost of £13 per annum and that you maintain your subscription during your employment.

In the interim, you must provide a Certificate of Good Standing and Police Check from your home country.

Self Declaration Form

We need to be satisfied of your character and suitability to work in a position of trust and include a self declaration form to this effect. The Declaration Form A needs to be completed in conjunction with the guidance notes and returned to myself.

Work Health Assessment

You are required to advise the Trust if you have a health condition or disability which might affect your work and which might require special adjustments to your work or at your place of work. You cannot be passed fit to work until a satisfactory health advice note is received. You will require an appointment with the Occupational Department on arrival to the UK.

Qualifications and Registration

You must bring your original qualifications and evidence of registration as indicated as essential on the person specification for the post to your ID checking appointment

Employment History and References Checks

We will now seek referees from your nominated referees to confirm your previous employment in this country and overseas, or if you are self-employed, confirmation of conducting business. In line with the NHS Employment Check Standards we will seek the necessary references to validate a minimum period of three consecutive years of employment or training immediately prior to the application being made.

It is important that you are aware that any information disclosed on applications forms will be checked including employment history. An offer may be withdrawn if you knowingly withhold information, provide false or misleading information and we may withdraw your offer if there is lack of sufficient evidence on which we have based this offer.

Once all of your Pre Employment checks have been completed, we will be in contact to agree your start date. Start dates should normally align with the Northern Care Alliance Corporate Welcome which are held on a Monday at various locations across the alliance.

For information regarding terms and conditions of service please see link below to the NHS Employers website:

<https://www.nhsemployers.org/your-workforce/pay-and-reward/medical-staff>

Should you have any queries throughout the recruitment process, please do not hesitate to contact me.

I look forward to receiving your reply accepting the offer.

Finally I would like to take this opportunity to congratulate you on the success of your application and hope that you will be happy in your new post.

Yours sincerely,

Mr Christopher Dunn

Sub : Registration as (DNB Post Diploma) Trainee - Orthopedic Surgery - January 2019 admission session.

Dear Doctor,

Kindly refer your application for registration with NBE for DNB Post Diploma course in Orthopedic Surgery for January 2019 admission session.

1. You have been granted provisional registration to enable you to undergo DNB training as per details mentioned below:

Name:	LINGAMURTHY ACHA
Specialty:	Orthopedic Surgery
Name of the Institution:	Durgabai Deshmukh Hospital Mahila Sabha Bldg., Univ. Road, Hyderabad -44 Telangana
Provisional Registration No.:	227-46108-191-224639
Date of Prov. Registration :	06.06.2019
Duration of DNB Training:	2 years

2. Any training prior to the date of your registration with NBE will not be considered towards DNB training.

3. It is for your information and for the information of the institution concerned that the National Board of Examinations reserves its absolute right to alter its examination schedule, pattern, rules, policy and guidelines at any time during the continuation or after the completion of your training. The grant of Provisional Registration is only for undergoing training and does not confer any suo-motto right whatsoever, to any DNB trainee for appearing in the DNB final/Exit examinations of NBE of any particular session in accordance with any past or present schedule, policy and guidelines. The eligibility to undertake any particular DNB Final/Exit Examination will be determined strictly in accordance with the eligibility criteria laid down in the information bulletin for respective session.

4. NBE reserves its absolute right to take appropriate action including withdrawal of the candidates' registration and to recover damages against concerned hospital/withdrawal of accreditation if it is found that the candidate/Institution is not adhering to NBE guidelines / policies / directions and /or the terms of the instant Provisional Registration letter / letter of accreditation.

5. You are advised to read the latest Bulletin of Information carefully, when you apply for the DNB Final/Exit examinations especially, the eligibility criteria, schedule of examinations for better understanding of the Rules and Procedures in order to avoid rejection of application and forfeiture of examination fees.

6. Trainee(s) are also advised to quote the allotted Registration No. while applying for the Final/Exit examinations of NBE and also in all future correspondence of NBE. Registration number assigned to you is your unique identification number with NBE and has to be mentioned in all correspondence forthwith with NBE.

7. In order to avoid any delay in processing of any application for examination or thesis submission, the respective application forms are to be sent to this office duly filled in and signed/stamped by the competent forwarding authorities along with required documents as per prescribed information bulletin.

8. NBE Leave Rules:

8.1. DNB/FNB Trainees are entitled to avail leave during the course of DNB/FNB training as per the Leave Rules prescribed by NBE.

8.2. A DNB/FNB Trainees can avail a maximum of 30 days of leave in a year excluding regular duty off/Gazetted holidays as per hospital/institute calendar/policy. This leave shall be processed at the institutional level.

8.3. Any kind of study leave is not permissible to DNB/FNB Trainees.

8.4. Under normal circumstances leave of one year should not be carried forward to the next year. However, in exceptional cases such as prolonged illness, the leave across the DNB/FNB training program may be clubbed together with prior approval of NBE.

8.5. Unauthorized absence from DNB/FNB training for more than 7 days may lead to cancellation of registration and discontinuation of the DNB/FNB training and rejoining shall not be permitted.

8.6. Any Leave availed by the candidate other than the eligible leave (30 days per year) shall lead to extension of DNB /FNB training. The training institute has to forward such requests to NBE along with the leave records of the candidate since his/her joining and supporting documents (if any) through the Head of the Institute with their recommendation/comments. NBE shall consider such requests on merit provided the seat is not carried over and compromise with training of existing trainees in the Department.

8.7. Any extension of DNB/FNB training beyond the scheduled completion date of training is permissible only under extra-ordinary circumstances with prior approval of NBE. Such extension is neither automatic nor shall be granted as a matter of routine.

8.8. DNB/FNB trainees are required to complete their training by a prescribed cutoff date (as per information bulletin of Exit exam) for being eligible to DNB/FNB Exit examination.

8.9. The eligibility for DNB/FNB Final Examination shall be determined strictly in accordance with the criteria prescribed in the respective information bulletin.

9. The concerned Heads of Accredited Hospitals/Institutes and DNB Program coordinators must ensure that the leave guidelines as prescribed by NBE are strictly adhered to; failure to comply these guidelines and sanctioning leave beyond purview of NBE leave norms may have an adverse impact on the renewal of accreditation.

10. Thesis/Dissertation

10.1 Thesis submission and its acceptance is a mandatory requirement towards partial fulfillment of award of DNB degree certificate. It is essential for all DNB candidates to submit their thesis within the prescribed time limit.

10.2 DNB candidates are required to submit their thesis before the cut off date which shall be 30th June

of same year for candidates appearing for their scheduled December DNB Final/Exit examination. Similarly candidates who shall be appearing in their scheduled June DNB final/exit examination shall be required to submit their theses by 31st of preceding December.

10.3 In case the candidate fails to submit his/her thesis within the cut off date, the result of the examination of the candidate will not be declared and kept withheld. Further that the Provisional pass certificate of a candidate will not be issued under any circumstances if the thesis has not been accepted.

10.4 The concerned Heads of Accredited Hospitals/Institutes and DNB Program coordinators and Thesis Supervisors must ensure that the thesis are submitted by the candidates within the prescribed cut off date, failure to comply may have an adverse impact on the renewal of accreditation.

Yours faithfully

2. Any training prior to the date of your registration with NBE will not be considered towards DNB training.

3. It is for your information and for the information of the institution concerned that the National Board of Examinations reserves its absolute right to alter its examination schedule, pattern, rules, policy and guidelines at any time during the continuation or after the completion of your training. The grant of Provisional Registration is only for undergoing training and does not confer any suo-motto right whatsoever, to any DNB trainee for appearing in the DNB final/Exit examinations of NBE of any particular session in accordance with any past or present schedule, policy and guidelines. The eligibility to undertake any particular DNB Final/Exit Examination will be determined strictly in accordance with the eligibility criteria laid down in the information bulletin for respective session.

4. NBE reserves its absolute right to take appropriate action including withdrawal of the candidates' registration and to recover damages against concerned hospital/withdrawal of accreditation if it is found that the candidate/Institution is not adhering to NBE guidelines / policies / directions and /or the terms of the instant Provisional Registration letter / letter of accreditation.

5. You are advised to read the latest Bulletin of Information carefully, when you apply for the DNB Final/Exit examinations especially, the eligibility criteria, schedule of examinations for better understanding of the Rules and Procedures in order to avoid rejection of application and forfeiture of examination fees.

6. Trainee(s) are also advised to quote the allotted Registration No. while applying for the Final/Exit examinations of NBE and also in all future correspondence of NBE. Registration number assigned to you is your unique identification number with NBE and has to be mentioned in all correspondence forthwith with NBE.

7. In order to avoid any delay in processing of any application for examination or thesis submission, the respective application forms are to be sent to this office duly filled in and signed/stamped by the competent forwarding authorities along with required documents as per prescribed information bulletin.

8. NBE Leave Rules:

8.1. DNB/FNB Trainees are entitled to avail leave during the course of DNB/FNB training as per the Leave Rules prescribed by NBE.

8.2. A DNB/FNB Trainees can avail a maximum of 30 days of leave in a year excluding regular duty off/Gazetted holidays as per hospital/institute calendar/policy. This leave shall be processed at the institutional level.

8.3. Any kind of study leave is not permissible to DNB/FNB Trainees.

8.4. Under normal circumstances leave of one year should not be carried forward to the next year. However, in exceptional cases such as prolonged illness, the leave across the DNB/FNB training program may be clubbed together with prior approval of NBE.

8.5. Unauthorized absence from DNB/FNB training for more than 7 days may lead to cancellation of registration and discontinuation of the DNB/FNB training and rejoining shall not be permitted.

8.6. Any Leave availed by the candidate other than the eligible leave (30 days per year) shall lead to extension of DNB /FNB training. The training institute has to forward such requests to NBE along with the leave records of the candidate since his/her joining and supporting documents (if any) through the Head of the Institute with their recommendation/comments. NBE shall consider such requests on merit provided the seat is not carried over and compromise with training of existing trainees in the Department.

8.7. Any extension of DNB/FNB training beyond the scheduled completion date of training is permissible only under extra-ordinary circumstances with prior approval of NBE. Such extension is neither automatic nor shall be granted as a matter of routine.

8.8. DNB/FNB trainees are required to complete their training by a prescribed cutoff date (as per information bulletin of Exit exam) for being eligible to DNB/FNB Exit examination.

8.9. The eligibility for DNB/FNB Final Examination shall be determined strictly in accordance with the criteria prescribed in the respective information bulletin.

9. The concerned Heads of Accredited Hospitals/Institutes and DNB Program coordinators must ensure that the leave guidelines as prescribed by NBE are strictly adhered to; failure to comply these guidelines and sanctioning leave beyond purview of NBE leave norms may have an adverse impact on the renewal of accreditation.

10. Thesis/Dissertation
