7) Karneuropedicon 2024 : A state level Pediatric Neurology conference was successfully conducted at Father Muller Convention centre, Father Muller Medical College, Mangalore, on August 24th and 25th, 2024. It was an annual event of Academy of Pediatric Neurology (AOPN), conducted in association with Indian Academy of Pediatrics (IAP) Dakshina Kannada Branch and Department of Pediatrics, Father Muller Medical College, Mangalore. The event was facilitated by renowned pediatric neurologists from across the state and the delegates included pediatric postgraduate students, consultants and budding neurologists from various parts of the country. The event focused on the latest advancements in the field of pediatric neurology and provided a platform for knowledge sharing and collaboration.

8) Guest Lecture By Dr. Nataraj N. Ballal: Department of Paediatrics organised Guest Lecture by Dr. Nataraj N. Ballal, M.D., F.A.C.C., Paediatric Cardiologist, University of South Florida, Tampa on **"What's in a handshake?" Hyperhidrosis / Dysautonomia**, on 23rd November 2024 at 3.00 p.m. in the AV Hall, Knowledge Centre, Father Muller Medical College, Mangalore. Faculty and residents of the department of Paediatrics, Dermatology and Physiotherapy attended the guest lecture.

9) Team Spin Program By Dr. Arif Mohammed Ansari: Department of Paediatrics organised a Team-spin program (Team work and communication in simulation scenarios in Paediatrics and Neonatology) along with Simulation Centre on 6th January 2025 from 2.30 to 4.30 p.m. by the former faculty Dr. Arif Mohammed Ansari, Specialist Registrar, Birmingham Children's Hospital, U.K.

10) National Girl Child Day – 24th January 2025 To commemorate National Girl Child Day, Department of Paediatrics organized an awareness talk by Dr. Sweta Shanbhag, Asst. Professor, Paediatrics on 24th January 2025 at 10.30 a.m. in the Paediatric OPD Demonstration room. In her talk, she created awareness about the rights, education, health, and well-being of girls. The day emphasizes empowering girls through education and equal opportunities, promoting their rightful place in society.

11) Children's Day 2024: The Department of Paediatrics and the Department of Paediatric Nursing at celebrated Children's Day on 14th November 2024 in the Conference Hall. The program began with a warm welcome from Dr. Anil Shetty, Professor and Head of the Department of Paediatrics. The chief guest of the event, Ms. Vaibhavi Kinnigoli, moved the audience with her story of courage. In recognition of her heroic act, Father Muller Charitable Institutions honored Vaibhavi, offering her and her entire school free health cards as a token of appreciation. Vaibhavi's parents also received this heartfelt gift. Department launched its new Instagram account [deptofpediatrics_mullers](#), where the Dean of FMMC released the first reel showcasing the dedicated paediatrics team. The celebrations continued with vibrant dance performances by students, followed by a prize distribution ceremony for the young winners of drawing, spot games, and fancy dress competitions. Orchid plants were presented as mementos to the competition judges. Bringing awe and laughter, the Kalasrishti team performed a lively magic show, and Mr. Sam entertained everyone with impressive balloon sculptures.
