5. WHEREAS the medical college has failed to comply with the requirements and has compromised with the quality of medical education. Considering the inadequate OP clinical workload, surgeries and deliveries in the Department of Obstetrics and Gynaecology, the Post-Graduate Medical Education Board has decided to renew recognition of five seats of MS (Obstetrics and Gynaecology); and to reduce the annual intake capacity in the course of MS (Obstetrics and Gynaecology) from the existing six to five from the Academic Year 2024-2025. 	Total:	Six seats	Total:	Five seats

However, the students admitted by the medical college till the Academic Year 2023-2024 will not be affected by this reduction of seats and their post-graduate degrees will be considered recognised for the purpose of registration of the degree awarded by the University.

The procedure for 'Renewal of Recognition' shall be same as applicable for the award of Recognition.
