**REPORT: INAUGURATION OF THE STUDENT RESEARCH CLUB AND LAUNCH OF
'THE RESEARCH SPRING' BULLETIN**

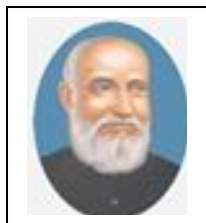

The Father Muller College of Nursing inaugurated its Student Research Club on 11th September 2024. The event was graced by Rev. Fr. Richard Aloysius Coelho, Director, who inaugurated the club and addressed the gathering with inspirational words. The Chief Guest, Dr. Sanjeev Rai, former Head of the Research Centre, shared insights on generating and developing research ideas. Dr. Ramesh Bhat M, Head of the Father Muller Research Centre, served as the Guest of Honor and delivered the keynote address, highlighting the opportunities available for students to engage in funded research projects in collaboration with faculty. He commended the students' initiative in establishing an independent research club within the institution.

The ceremony was led by Principal Sr. Dhanya Devasia and attended by Dr. Shycil Mathew, Chairperson of the Student Research Club, and Dr. Shiji PJ, the club's Advisor. Also present were Student President Ms. Ocheal Saroa, Secretary Mr. Prithesh, and Mrs. Sandra Saldanha, Research Cell Chairperson, along with executive members.

Notably, external members of the Research Cell, including Dr. Animesh Jain, Professor of the Department of Community Medicine, KMC Mangalore, and Dr. Shivashankar, Professor of the Department of Biochemistry, Father Muller Medical College (FMMC), were present to mark this gracious moment.

The establishment of the Student Research Club represents a significant step in promoting a culture of research and scholarly activity among nursing students. The club will provide a platform for students to engage in research initiatives, participate in workshops and seminars, and collaborate on projects addressing contemporary health challenges.

As part of the inaugural ceremony, the college released its first research bulletin, titled "The Research Spring." The bulletin aims to showcase innovative research activities and achievements of both students and faculty, fostering a culture of inquiry and scholarship within the institution.

The event, attended by faculty members, students, and external guests, underscored the college's commitment to fostering an environment of inquiry, innovation, and academic excellence.
